Features

Speedy one-pass scanning

With its impeccable one-pass duplex scanning feature, the imageFORMULA P-215II can scan documents front and back simultaneously in a swift 15ppm or 30ipm for black & white documents and quick 10ppm or 20ipm for colour – it's all the capabilities of a sizeable scanner in one portable handheld device.

Greater flexibility and convenience

Measuring a mere 285 x 95 x 40mm when closed, this document scanner is mobile enough to carry in one hand, yet big enough to handle A4-size documents. With a front-facing card slot on the imageFORMULA P-215II, users can simply scan both plastic or embossed cards. Users are able to scan to Cloud applications such as Evernote, Google Docs™ or Microsoft SharePoint™ with plug-in function.

Plug-and-scan

The imageFORMULA P-215II boasts hassle-free plug-and-scan capabilities and does not require any driver or application installation on both Windows and Mac OS. Upon connection, Canon's CaptureOn Touch Lite application instructions will automatically appear on screen to guide users through quick and easy steps to convert documents into electronic files, making it easy for everyone to achieve great-
