Features

6.9cm (5-line) LCD Display

Navigate and configure the printer settings easily with the 6.9cm (5-line) LCD display. Information can be displayed at a glance, facilitating easy device management and maintenance.

Wireless Printing

Flexible Connectivity

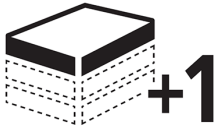

Connect the printer to your office network wirelessly or utilise the printer's built-in Access Point Mode for direct connection to mobile devices without additional router.

Auto Duplex Print

Auto Duplex Printing

Do your part for the environment with the automatic duplex printing feature. Print on both sides, even on A5 size media, to reduce paper wastage while reducing the carbon footprint and operational costs.

Paper Feeder (Option)

Expandable Paper Capacity

Expand paper handling capability to 850 sheets by adding an optional paper feeder.

Minimal Maintenance

Enjoy fuss-free and low maintenance operation with Canon All-in-One toner cartridge design. Optional high-yield Cartridge 069H is available for customer with high volume printing, reducing the frequency of replacing the cartridge even further.

Enhanced Data Security

Safeguard print data against tampering by encrypting communication data with the latest protocol, TLS 1.3. Monitor system integrity during startup with Verify System at Startup.
