Features

12.7 cm(5in) Colour Touchscreen LCD Display

The MF641Cw features an intuitive 12.7(5in) colour touch screen LCD panel. The operation panel has a vari-angle mechanism which allows greater viewing flexibility.

Application Library

The Application Library helps you work smarter and more efficiently. You can store and print frequently-used forms directly from the device, or distribute your documents electronically to pre-set destinations with just a tap of the button.

Mobile Printing Solutions

With Canon's latest mobile business solution, you can print and scan documents, photos, web pages and emails all with just one app. Click here to find out more!

Wireless Freedom

Do away with unsightly cables as the MF641Cw has the option to share the printer wirelessly within your network. The device also has built in Access Point capability, enabling easy connection to mobile devices without a router.

Direct USB Printing

Enjoy the convenience of direct printing from and scanning to USB memory devices, in various file formats such as PDF, JPEG and TIFF.

Minimal Maintenance

Enjoy fuss-free and low maintenance operation with Canon All-in-One toner cartridge design. Optional high capacity cartridge 054H is available for customer with high volume printing, reducing the frequency of replacing cartridge even further.

QR Code Scan

Simply scan the QR code on the MF641Cw to ensure that you are connected to the correct printer when you are using the Canon PRINT Business mobile application.
