Features

Colour Touch Panel

12.7cm Colour LCD Touchscreen

Navigate intuitively on the colour touchscreen display panel that comes with a vari-angle mechanism for greater viewing flexibility and clarity. Customise the home screen according to your workflow with simple drag and drop feature.

Single Pass 2-Sided Scan

Single Pass Duplex Scan

Maximise scanning efficiency with the 50-sheet single-pass Duplex Auto Document feeder (DADF). Perform 2-sided A4 document scanning in a fraction of the time as the redesigned ADF scans up to 100 ipm (mono) / 80 ipm (colour). With blank page detection done while scanning, blank pages are not processed.

Auto Duplex Print

Auto Duplex Printing

Do your part for the environment with the automatic duplex printing feature. Print on both sides, even on A5 size media, to reduce paper wastage while reducing the carbon footprint and operational costs.

V² COLOUR

V² Colour Profile

Create an impactful business document with beautiful colours that complement the razor-sharp quality text. Canon's V² colour technology

Wireless Printing

APPLICATION LIBRARY
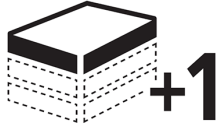

Application Library

The Application Library helps you work smarter and more efficiently. You can store and print frequently-used forms directly from the device, or distribute your documents

delivers vivid and vibrant professional looking prinout.

Flexible Connectivity

Connect the printer to your office network

electronically to pre-set destinations with just a tap of the button.

Paper Feeder
(Option)

Expandable Paper Capacity

Expand paper handling capability to 850 sheets by adding an optional paper feeder.

CANON GENUINE
TONER, CARTRIDGE & PARTS

Minimal Maintenance

Enjoy fuss-free and low maintenance operation with Canon All-in-One toner cartridge design. Optional high-yield Cartridge 069H is available for customer with high volume printing, reducing the frequency of replacing the cartridge even further.

Enhanced Data Security

Safeguard print data against tampering by encrypting communication data with the latest protocol, TLS 1.3. Monitor system integrity during startup with Verify System at Startup.
