Features

Excellent Productivity

The iR2224N/2224 series comes with a 88.9-mm touch panel, allowing easy navigation and customisation of the Home screen. Equipped with ID Card Copy function, users can easily copy the front and back of an ID card into a page.

Ensuring Security

Keep your printouts private with secure pin. Hold the print job at the device until the right password is entered, ensuring that sensitive information is kept confidential. In addition, prevent device tampering with Verify System at Start-up where checks for malicious programs are performed during startup.

Creating Convenience

Pair directly to the multi-function device via direct connection without the need to connect to wireless LAN. Print or scan documents with the Canon PRINT Business App, providing added convenience for users on-the-go.
